

## JESSICA'S COLLIE BROWNIES

*The Cliff House Collies are always of great interest to our guests. When Jessica had her litter of puppies, Katie Holmes created these “brownies” for her. Make some for your dog, but we recommend that you do it on a day when you can have the kitchen windows open. (Cats love these, too!)*

### SHOPPING LIST

- 2 pounds liver and its juice  
*(we prefer chicken liver)*
- 2 eggs
- 3 cups flour
- 3 cups cornmeal

### DIRECTIONS

1. In blender combine liver and eggs until fairly smooth.
2. Add dry ingredients and stir well. It will be sticky.
3. Grease a 13 x 9-inch pan. Spread mixture evenly into pan. Bake at 350 °F for 20 minutes. Turn oven off, leaving pan in oven for another 5 minutes.
4. Cool. Cut into squares *(tiny ones for little dogs, although ours were collie size – about 2-inch square)*.
5. Freeze what you won't use in 4 days, refrigerate the rest.

*Yield: Depends on the size of the dog*
