Find Spring Values At Maine's Cliff House Resort & Spa

Ogunquit, Maine (February 2010) – Find great shoulder season value on the coast of Maine at the Cliff House Resort & Spa, a short hour's drive from Boston. Their spring **Spa Splurge** package includes two nights ocean-view lodging, full breakfast each morning, Maine lobster dinner or entrée of choice one night, and \$100 credit at the Resort's world-class spa. *Available April 16 - May 27, 2010; \$380 per person based on double occupancy. Not available on holidays.*

Guests can use their Spa Splurge spa credit for a **Spring Reawaken Massage**, new for 2010. Inspired by tui na, an ancient form of Chinese medicine, this restorative therapy is designed to revitalize and renew skin, improve blood flow and promote well-being. *50 minutes, \$110.*

This spring, a spa credit goes even further thanks to the Resort's new **Tapas Treatments**. A diverse sampling of 25-minute mini treatments, the Tapas menu gives guests a taste of the many specialties the spa has to offer – *specially priced from just \$30 to \$99.*

All this – and the pristine beauty of coastal Maine. It's the real deal for spring.
