

CLIFF Notes

Summer 2008

Summertime...and the ocean is breezy!

Some guests tell us that a vacation at The Cliff House is most relaxing in summertime. They arrive at check-in in a state of sheer exhaustion. When we see them a few days later they are smiling, sun-kissed and savoring a delicious al fresco lunch or heading out to enjoy one of our terrific activity packages, like a Lobster Cruise or our Spa and Golf Combo. Or perhaps they are supine beside a pool watching gentle breezes cap the waves below. If you are in need of a relaxing summertime getaway, we'd love to welcome you to our beautiful Resort. For more information on summertime packages, visit us on the Web at www.cliffhousemaine.com

Pick a package and get a bank card

When you book a 3- or 4-night package at The Cliff House during July and August, we will give you a **\$25 bank card** at check in. It's our way of saying thank you! One bank card per room, and you must make an advance reservation to qualify. Offer expires 8/31/08. Subject to availability.

Use your card anywhere at the resort, for shopping at the Kittery Outlets, or even toward gas for the trip home. We know that you will have to make an extra effort to visit this year. This offer is one way of expressing our appreciation.

Spa Spotlight

Since the Cliff House opened the doors to our oceanfront Spa six years ago, we have focused on the use of *indigenous ingredients* in our Spa treatments and products. Our Signature treatments incorporate *wild Maine blueberries* (with powerful antioxidants), *Rugosa roses* (that grow on the cliffs below) and *native juniper* to name a few. We continue to add treatments and services featuring all-natural products and were recently listed by the state of Maine as a Green Property.

Meeting Corner MIX BUSINESS WITH PLEASURE

How can you tell a leisure guest from a meeting attendee? The first sign is at check-in where a briefcase almost always accompanies the suitcase. During the day, meeting room doors spring open and participants pour into the hallway for a coffee/beverage/snack break. But after 5:00 you cannot distinguish a meeting attendee from a leisure guest because at this time of day everyone is on vacation! So, if your company is looking for a meeting site that turns into a resort before sundown, contact our Sales Office at (207)361-1000 or sales@cliffhousemaine.com.
