

Ahoy Friends of Cliff House,

As the wonders of the winter quickly escape us; it is now time to close our eyes and imagine a refreshing summer's day with sand beneath our toes, a cool ocean breeze, wild purple iris and bright yellow sunflowers, s'mores by the fire, sumptuously buttered lobster rolls, and the sounds of buoys bells on the ocean.

We hope this memory prompts you to recall a time of celebration with family and friends on the scenic coast of Maine during the beautiful long summers. Or, a past mini-moon, babymoon, or even a buddy moon. In fact, if you close your eyes once again, we hope you remember the experience, fun, laughter, relaxation, and quality time and memories treasured at Cliff House over the past years.

As we launch our 2019 season, we once again, welcome and invite you to celebrate your annual vacation experience with us. Our entire staff, anxiously awaits your arrival with eagerness and appreciation for once again considering a visit with us. We have been quite busy preparing for the season and continuing to enhance the newest resort on the coast of New England with great care and meticulous detail.

Thank you to all of you who have visited, shared your comments with us, and the world, and who continue to allow us to serve up an authentic Maine experience. Each year our resort transforms as warm days embrace our grounds and unveil the wonder colors of our natural landscape. Although Cliff House sits amidst the majestic Bald Head Cliff, one of the most scenic views on the New England coastline, we also pay homage to the rustic, coastal 70 acres which abound. Over the past year, we expanded our venues for the outdoor enthusiast. After all, isn't that what Maine is all about? As you journey through our natural surroundings, we look forward to your encounter with the new Fern Garden, a haven for relaxation, guided meditation and the art of just being present. Wooded trails will guide you to Tiller's Row, our garden where our chef hand-select aromatics for our restaurants and bar service each day along with local flora and scents.

While brunch has been wildly successful on weekends, our culinary team will offer brunch daily in The Tiller, in order for you to sleep in and pace your morning at leisure. Nubb's Lobster Shack will serve a casual breakfast; and in its second season, the new Bald Head Coffee Company featuring gourmet Bard Coffee will serve grab and go boost. Cliff House is also excited to introduce Ocean Acres social venue this year and an invitation for all our guests to an authentic Maine Lobster Bake on Fridays and Sundays during early evenings where guests can socialize and enjoy our finest local ingredients from land and sea.

Thanks to our many guests who offered thoughtful ways to express preferences for the family travel experience, we have incorporated new enhancements at the Family Pool to open by July 1st. A new pool bar and grill, expansive sun deck, and new cabanas have been added, all with the guest at top of mind. Once the Family Pool unveils, our existing Resort Pool will be designated as an adult sanctuary for respite and quiet relaxation. Families with youngsters under 13 can enjoy fun and frolic at the enhanced family pool. Our recreation team has created a series of games, contests, and surprises throughout the day.

The Hartwig Theater continues with matinée and evening showings of age appropriate hit films featuring complimentary refreshments daily. Visit our website in late Spring for the summer fireworks schedule. There is so much for all to enjoy this summer season.

Ogunquit, originally an artist's colony is home to an amazing collaborative of talented professionals who express their vision through various mediums. Our guests can walk The Gallery which offers a window into several local and regional artists who vary throughout the year; some to enjoy, others for purchase. The Ogunquit Museum of American Art, an extraordinary partner just a minutes' drive from the resort, will also highlight one of their signature artful pieces for the season.

Our goal is to offer a relaxing and enriching visit to our southern Maine resort. Please contact our Concierge Team with any questions or requests that will make your navigation of Cliff House that much smoother. As always, be sure to schedule your appointment at The Spa for the ultimate relaxation and rejuvenation well in advance for many signature treatments. Until then, we wait with excited anticipation of your summer arrival to Cliff House.

Thank you for considering Cliff House. We are honored to serve you, our guests.

With fair winds, and following seas,
Nancy J. White
Managing Director
